

Evacuatoin

At 1918 it was sad for the children and parents but it was for their own good.

KEEP your children SAFE
your lives are at risk if you
don't evacuate NOW.

Older Women Older Women

Older women could
be homeguards or
make posters and they
would help evacuate
the children. Lady's
your help is needed.
They had to grow their
own food .

War

Survival

Things to do and know

Older men

Older men why not become a fire man or a home guard or help in the farm.

Young Men

Young men your county needs you in the war to fight to help try win play your part and see some of the world.

Young Women

Young women could become nurses they go to the factory to make bullets guns and tanks. Young women were spies and a look out.
